*“The World Is My Country, All Mankind  
Are My Brethren, and To Do Good Is My Religion.”*

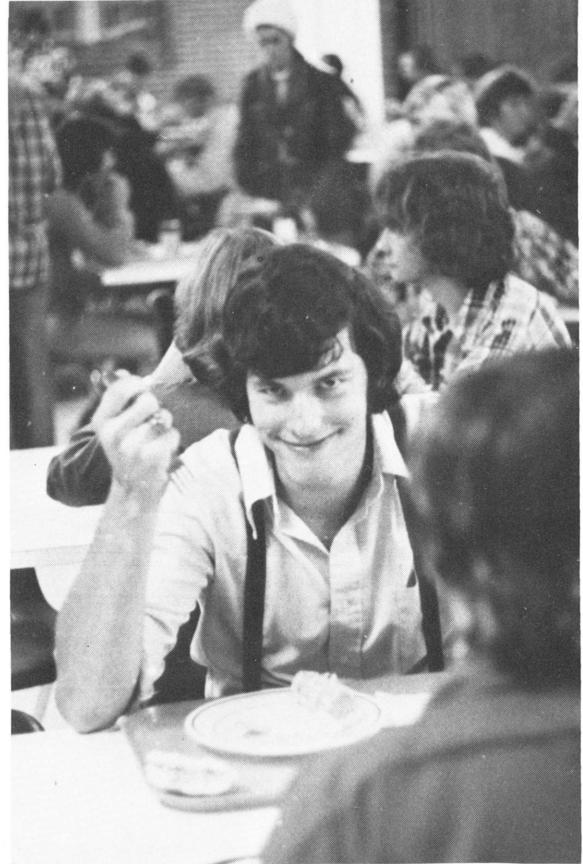

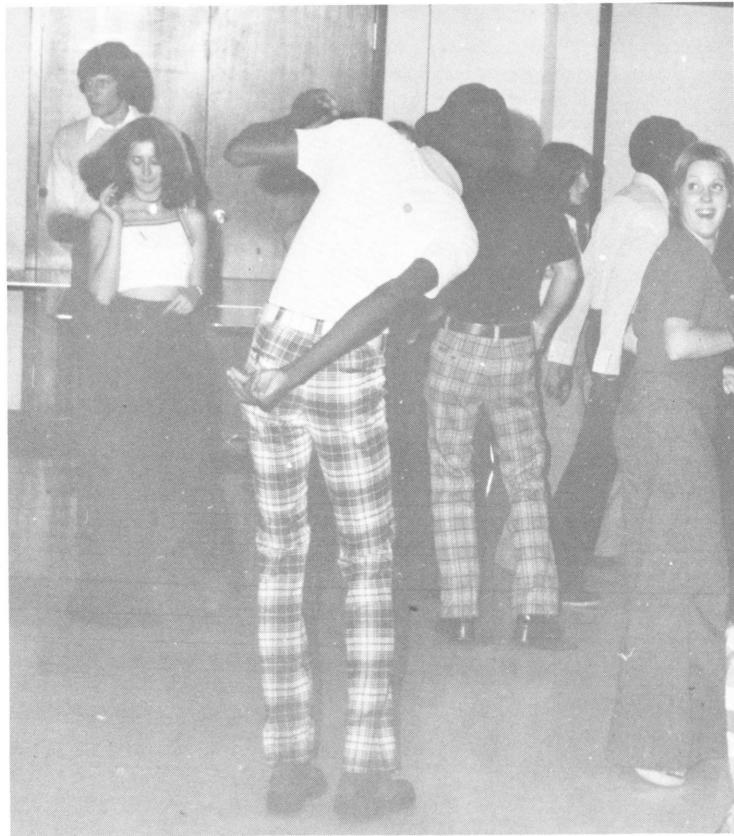

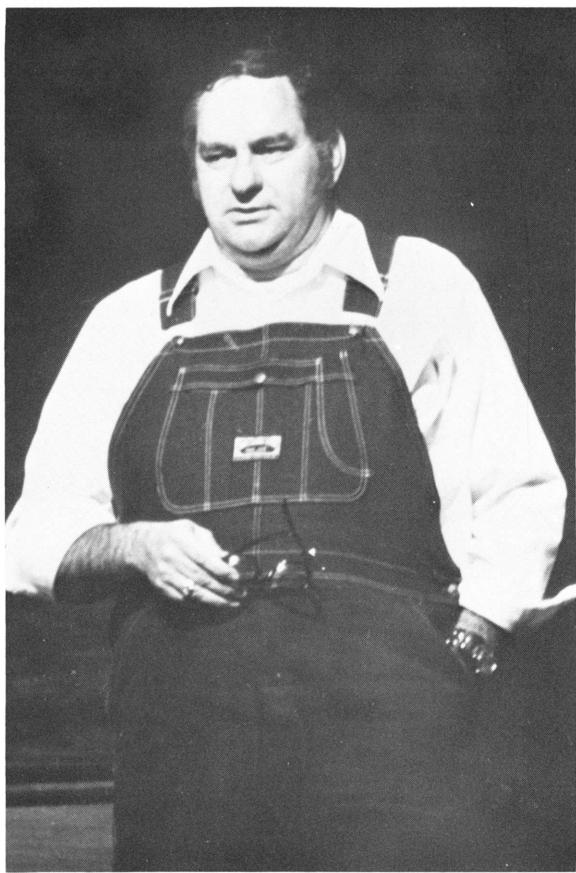

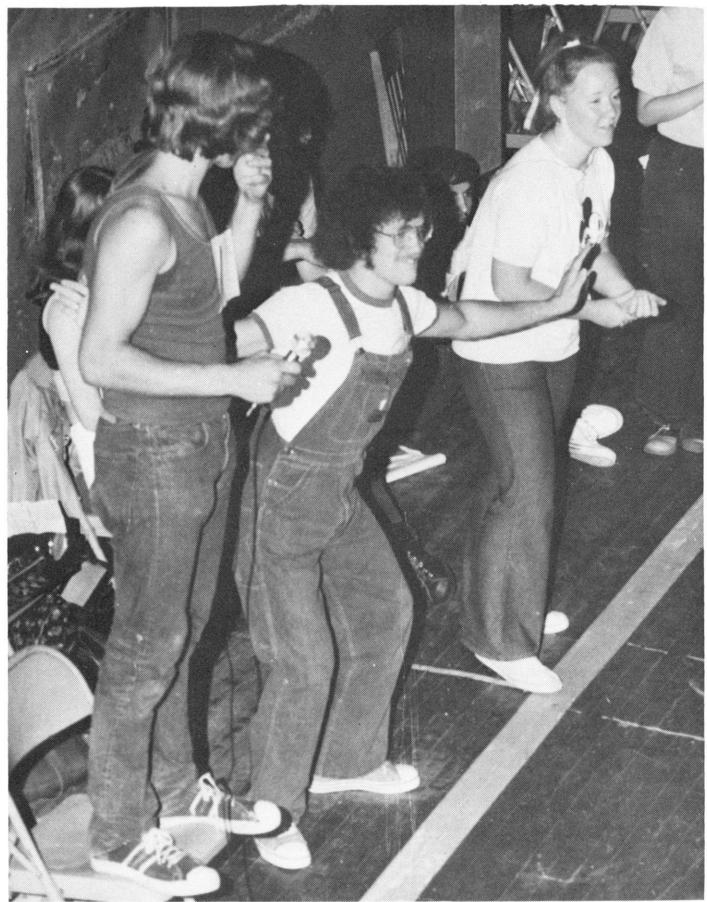

A delightful time on Nickell farm;  
The weather was fine; no sign of  
    storm;  
A weiner on a bun —  
Had a lot of fun.  
The air was crisp, but the fire  
    was warm.

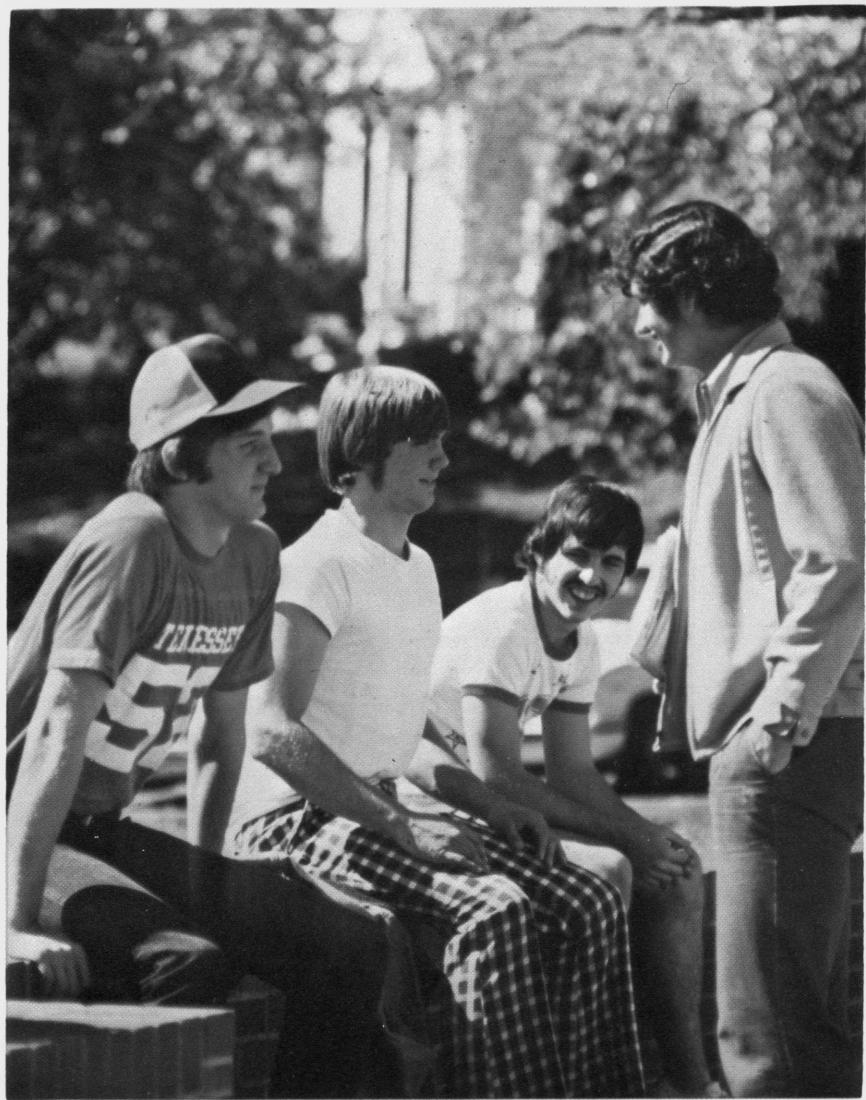

M. Nickell

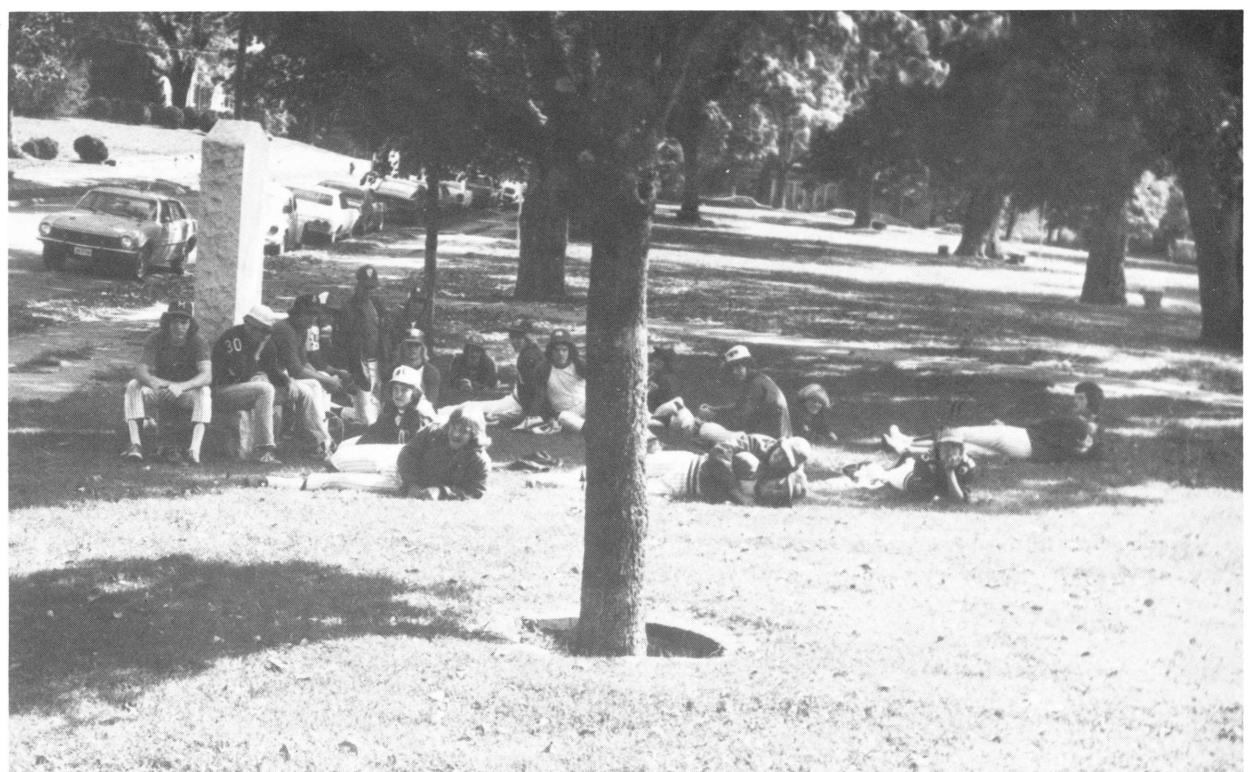

*“A Little Nonsense Now and Then Is  
Cherished by the Wisest Men!”*

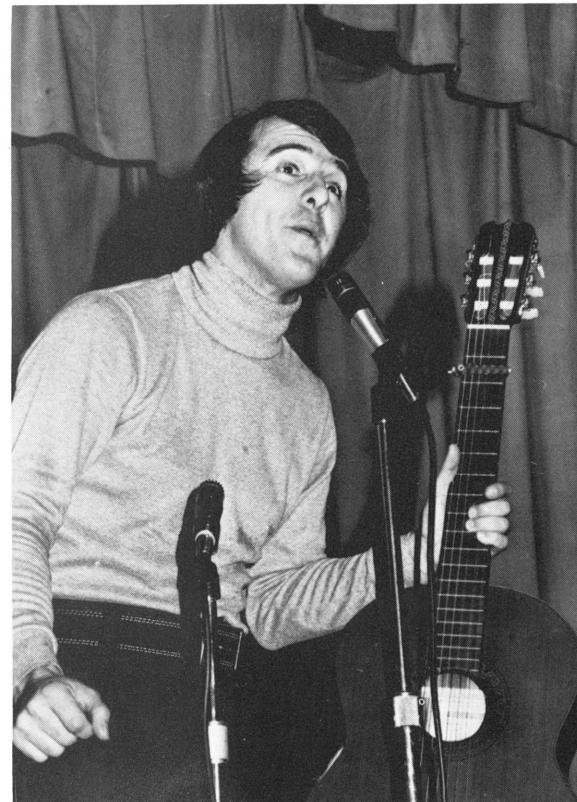

*“Happiness Is Not Something You Find,  
But Rather, You Create.”*

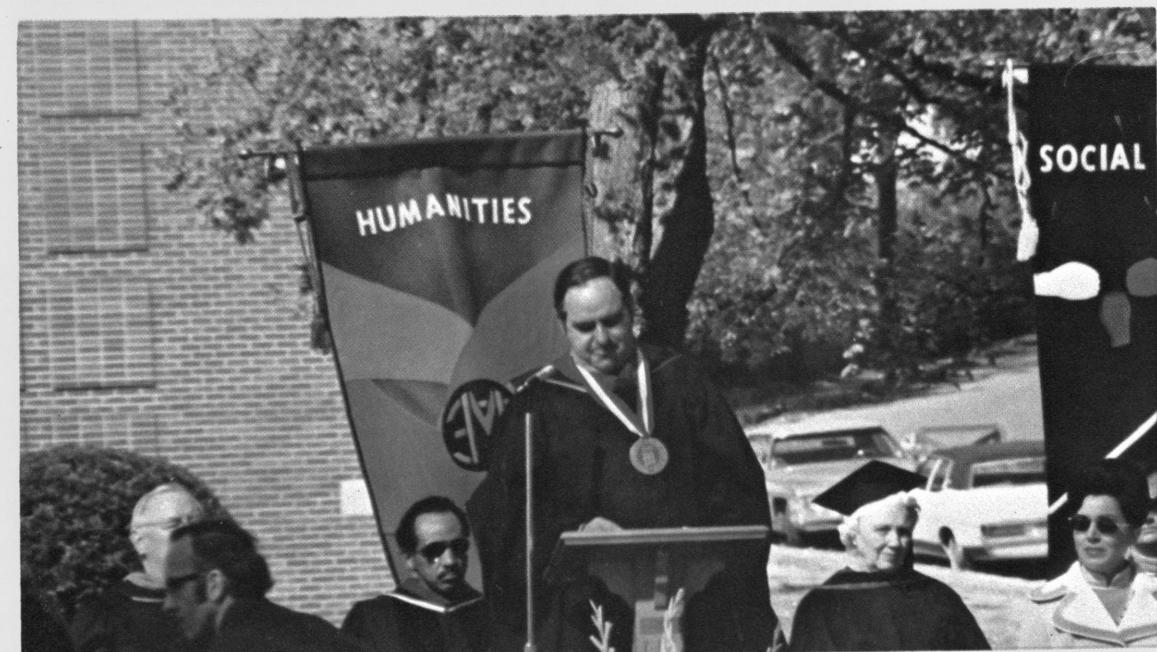

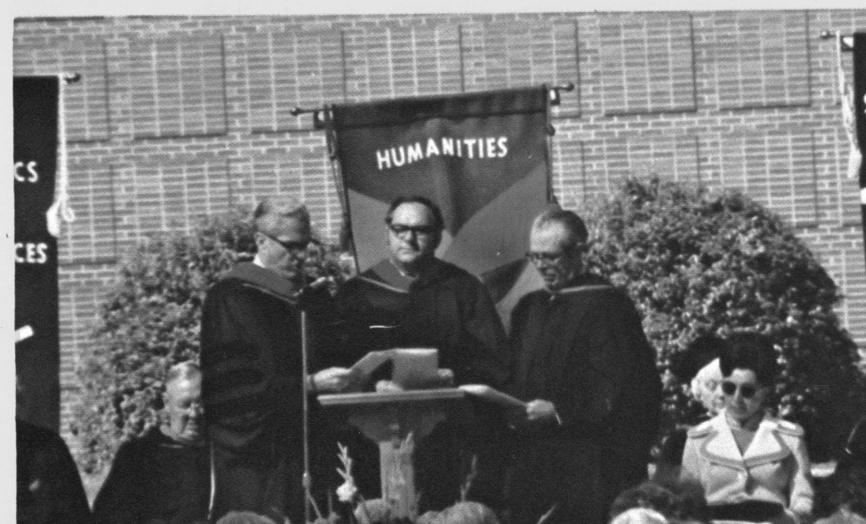

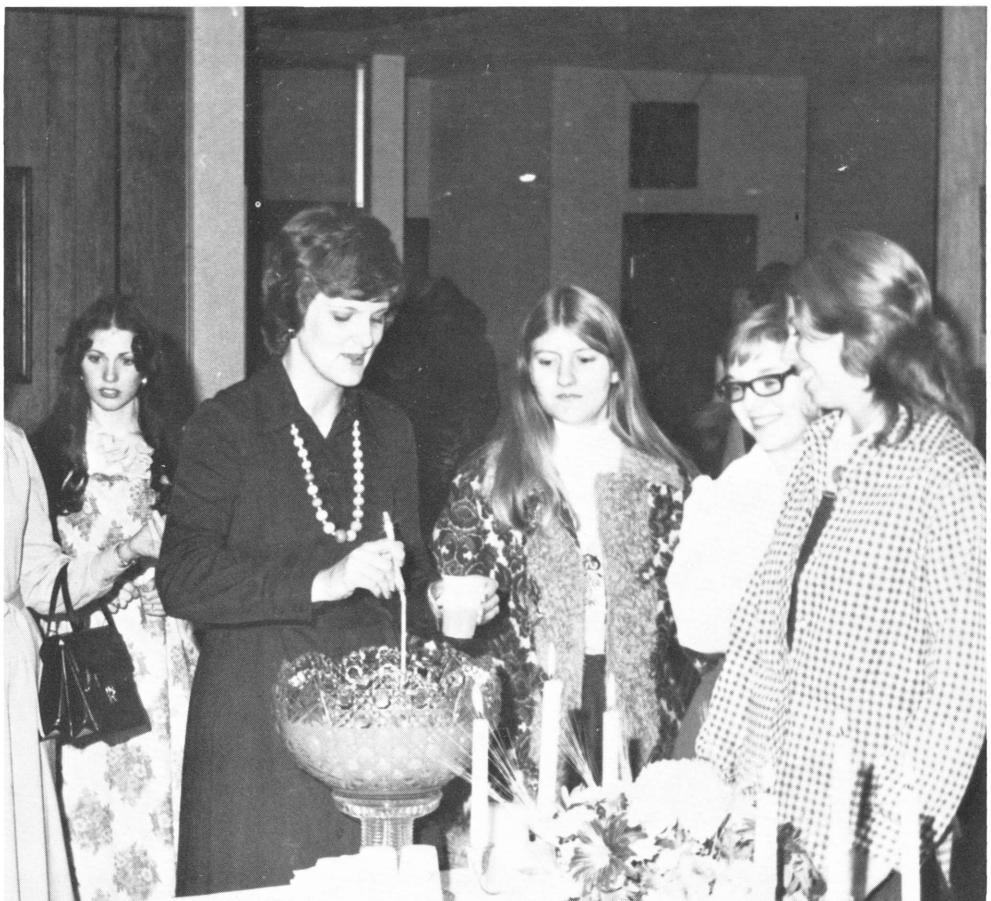

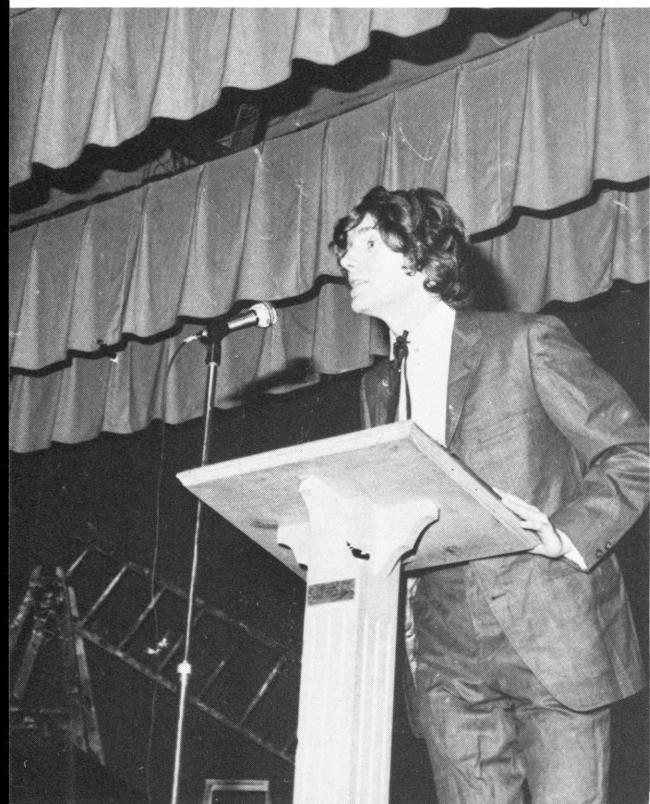

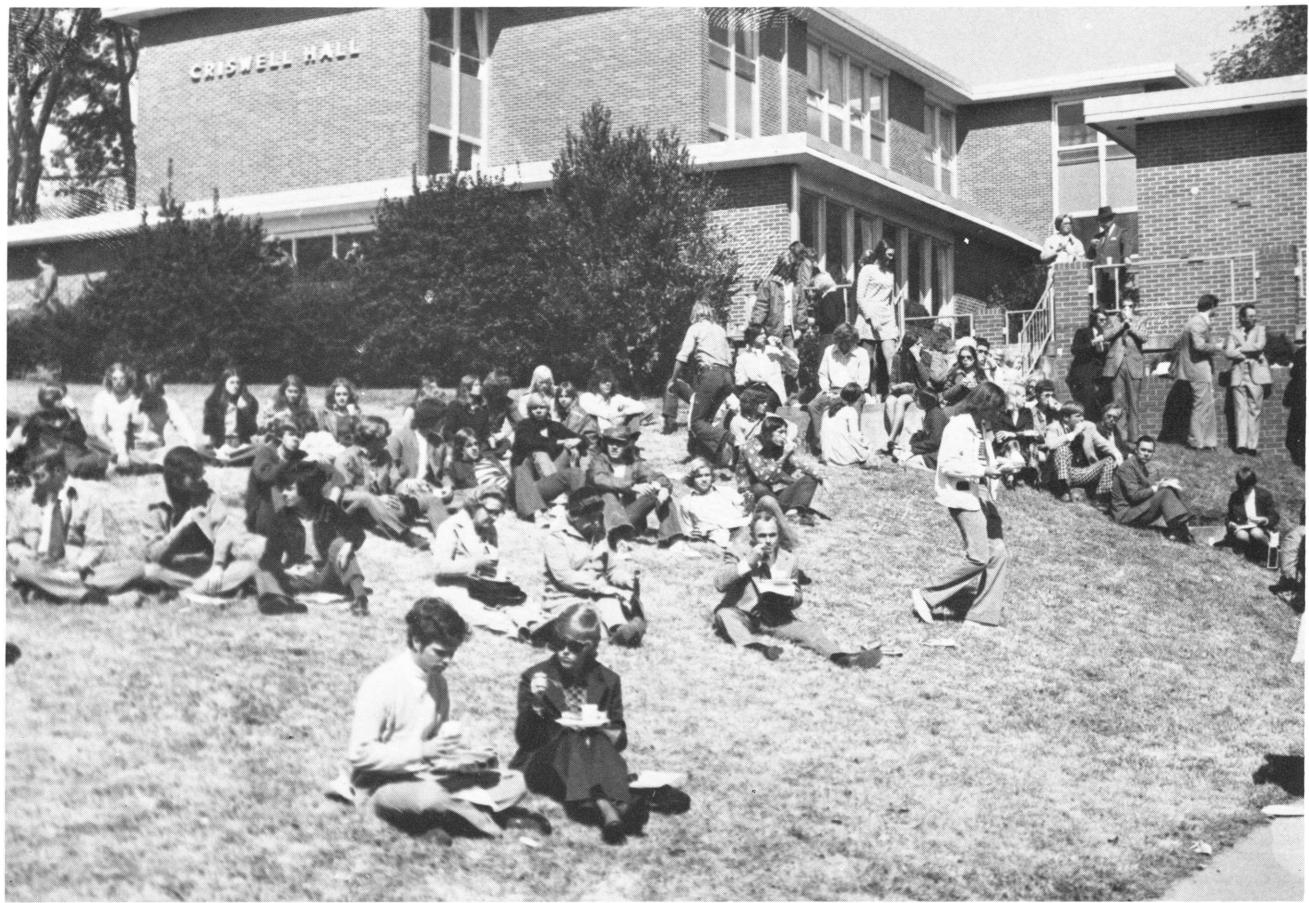

*“Society Affects to Estimate Men by  
Their Talents, but Really Feels and Knows Them  
by Their Character.”*

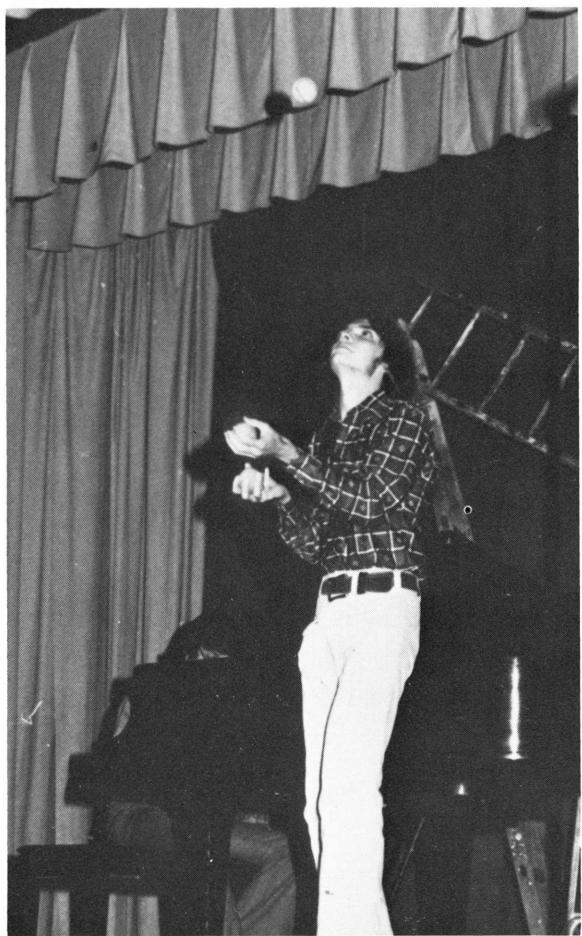

As October 22 drew near, the Administration and Students at Martin began to feel the excitement of the upcoming inauguration of the school's new president. After weeks of preparation the big day finally arrived and the empty seats were filled in anticipation of the event.

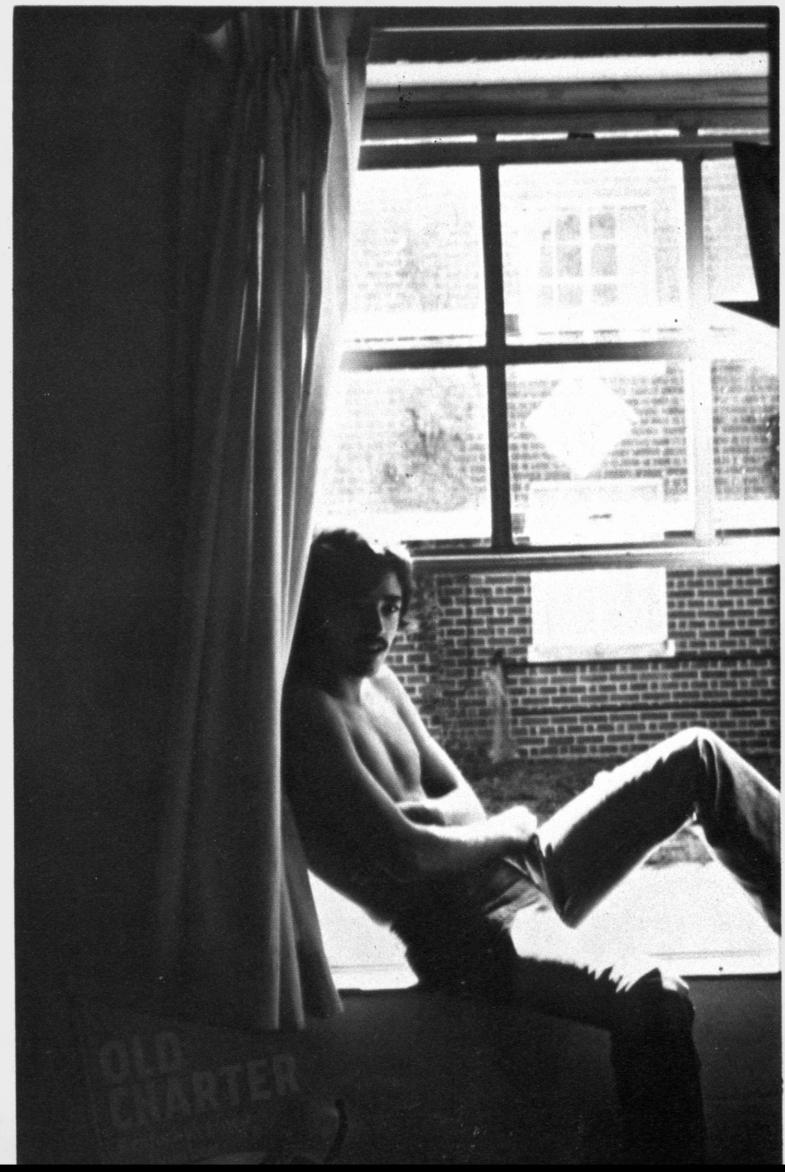

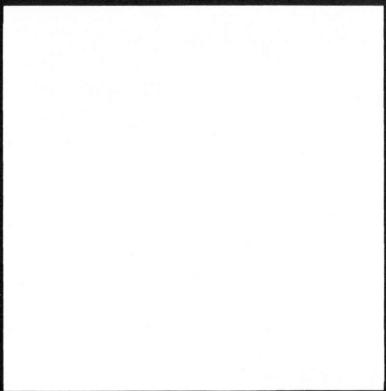

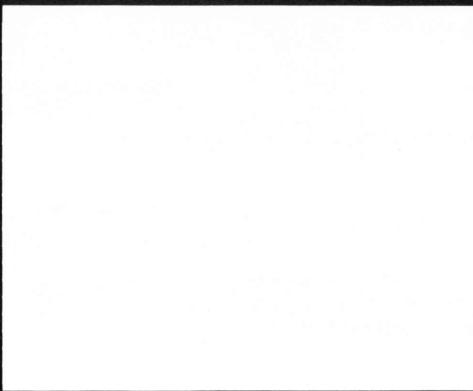

*After the Ceremony, Festivities Were Held  
to Entertain Our President.*

## MESSAGE FOR THE ANNUAL

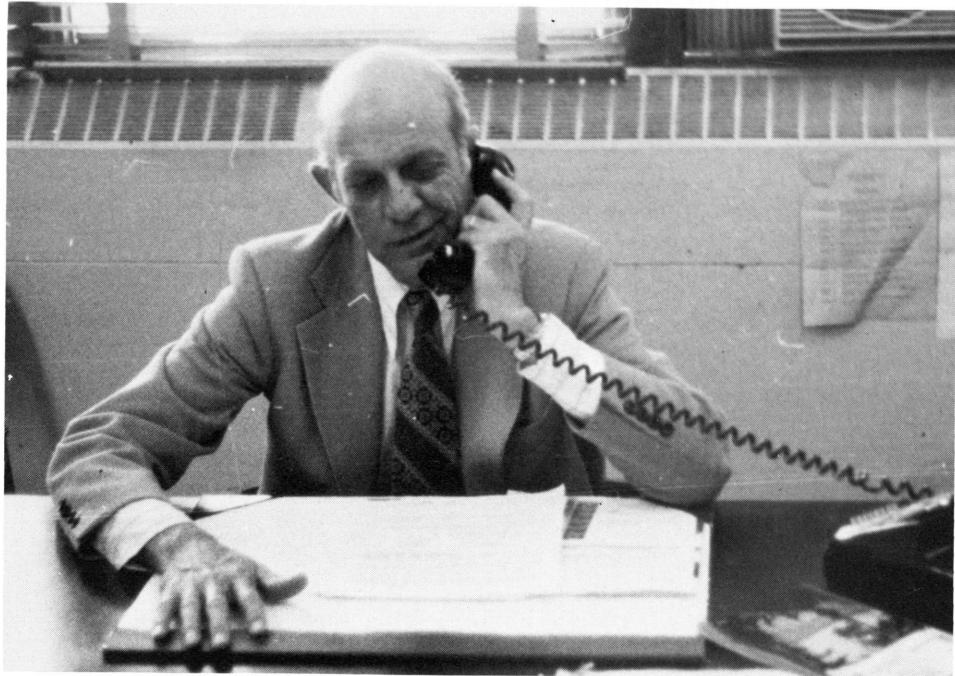

*You will keep and cherish this book as long as just about any book which will come into your possession. Aware of this, I'm wondering what I should say that will be worth your keeping.*

*I don't need to tell you it's been a good year. You lived it the same as I. The Inauguration events, the completion of our new Library-Academics Building, our splendid Athletics record, the much learning which took place, the courtships which flourished and the courtships which fizzled — ah, yes, it has been a good year!*

*You will go on from Martin for further preparation — either in an academic setting or in the arena of life. While here at Martin, I sincerely hope you have begun to learn not only how to make a living but how to make a life. As you go from here, I hope you will be a winner. If you cannot win, make the one ahead break the record!*

## *In Memory of Mrs. Jo Nell Smith*

*In her quiet, unassuming way, she was always there. Never asking for the limelight, it was, nevertheless, known that she was there. She shared her husband's great love for Martin College and the competitive sport.*

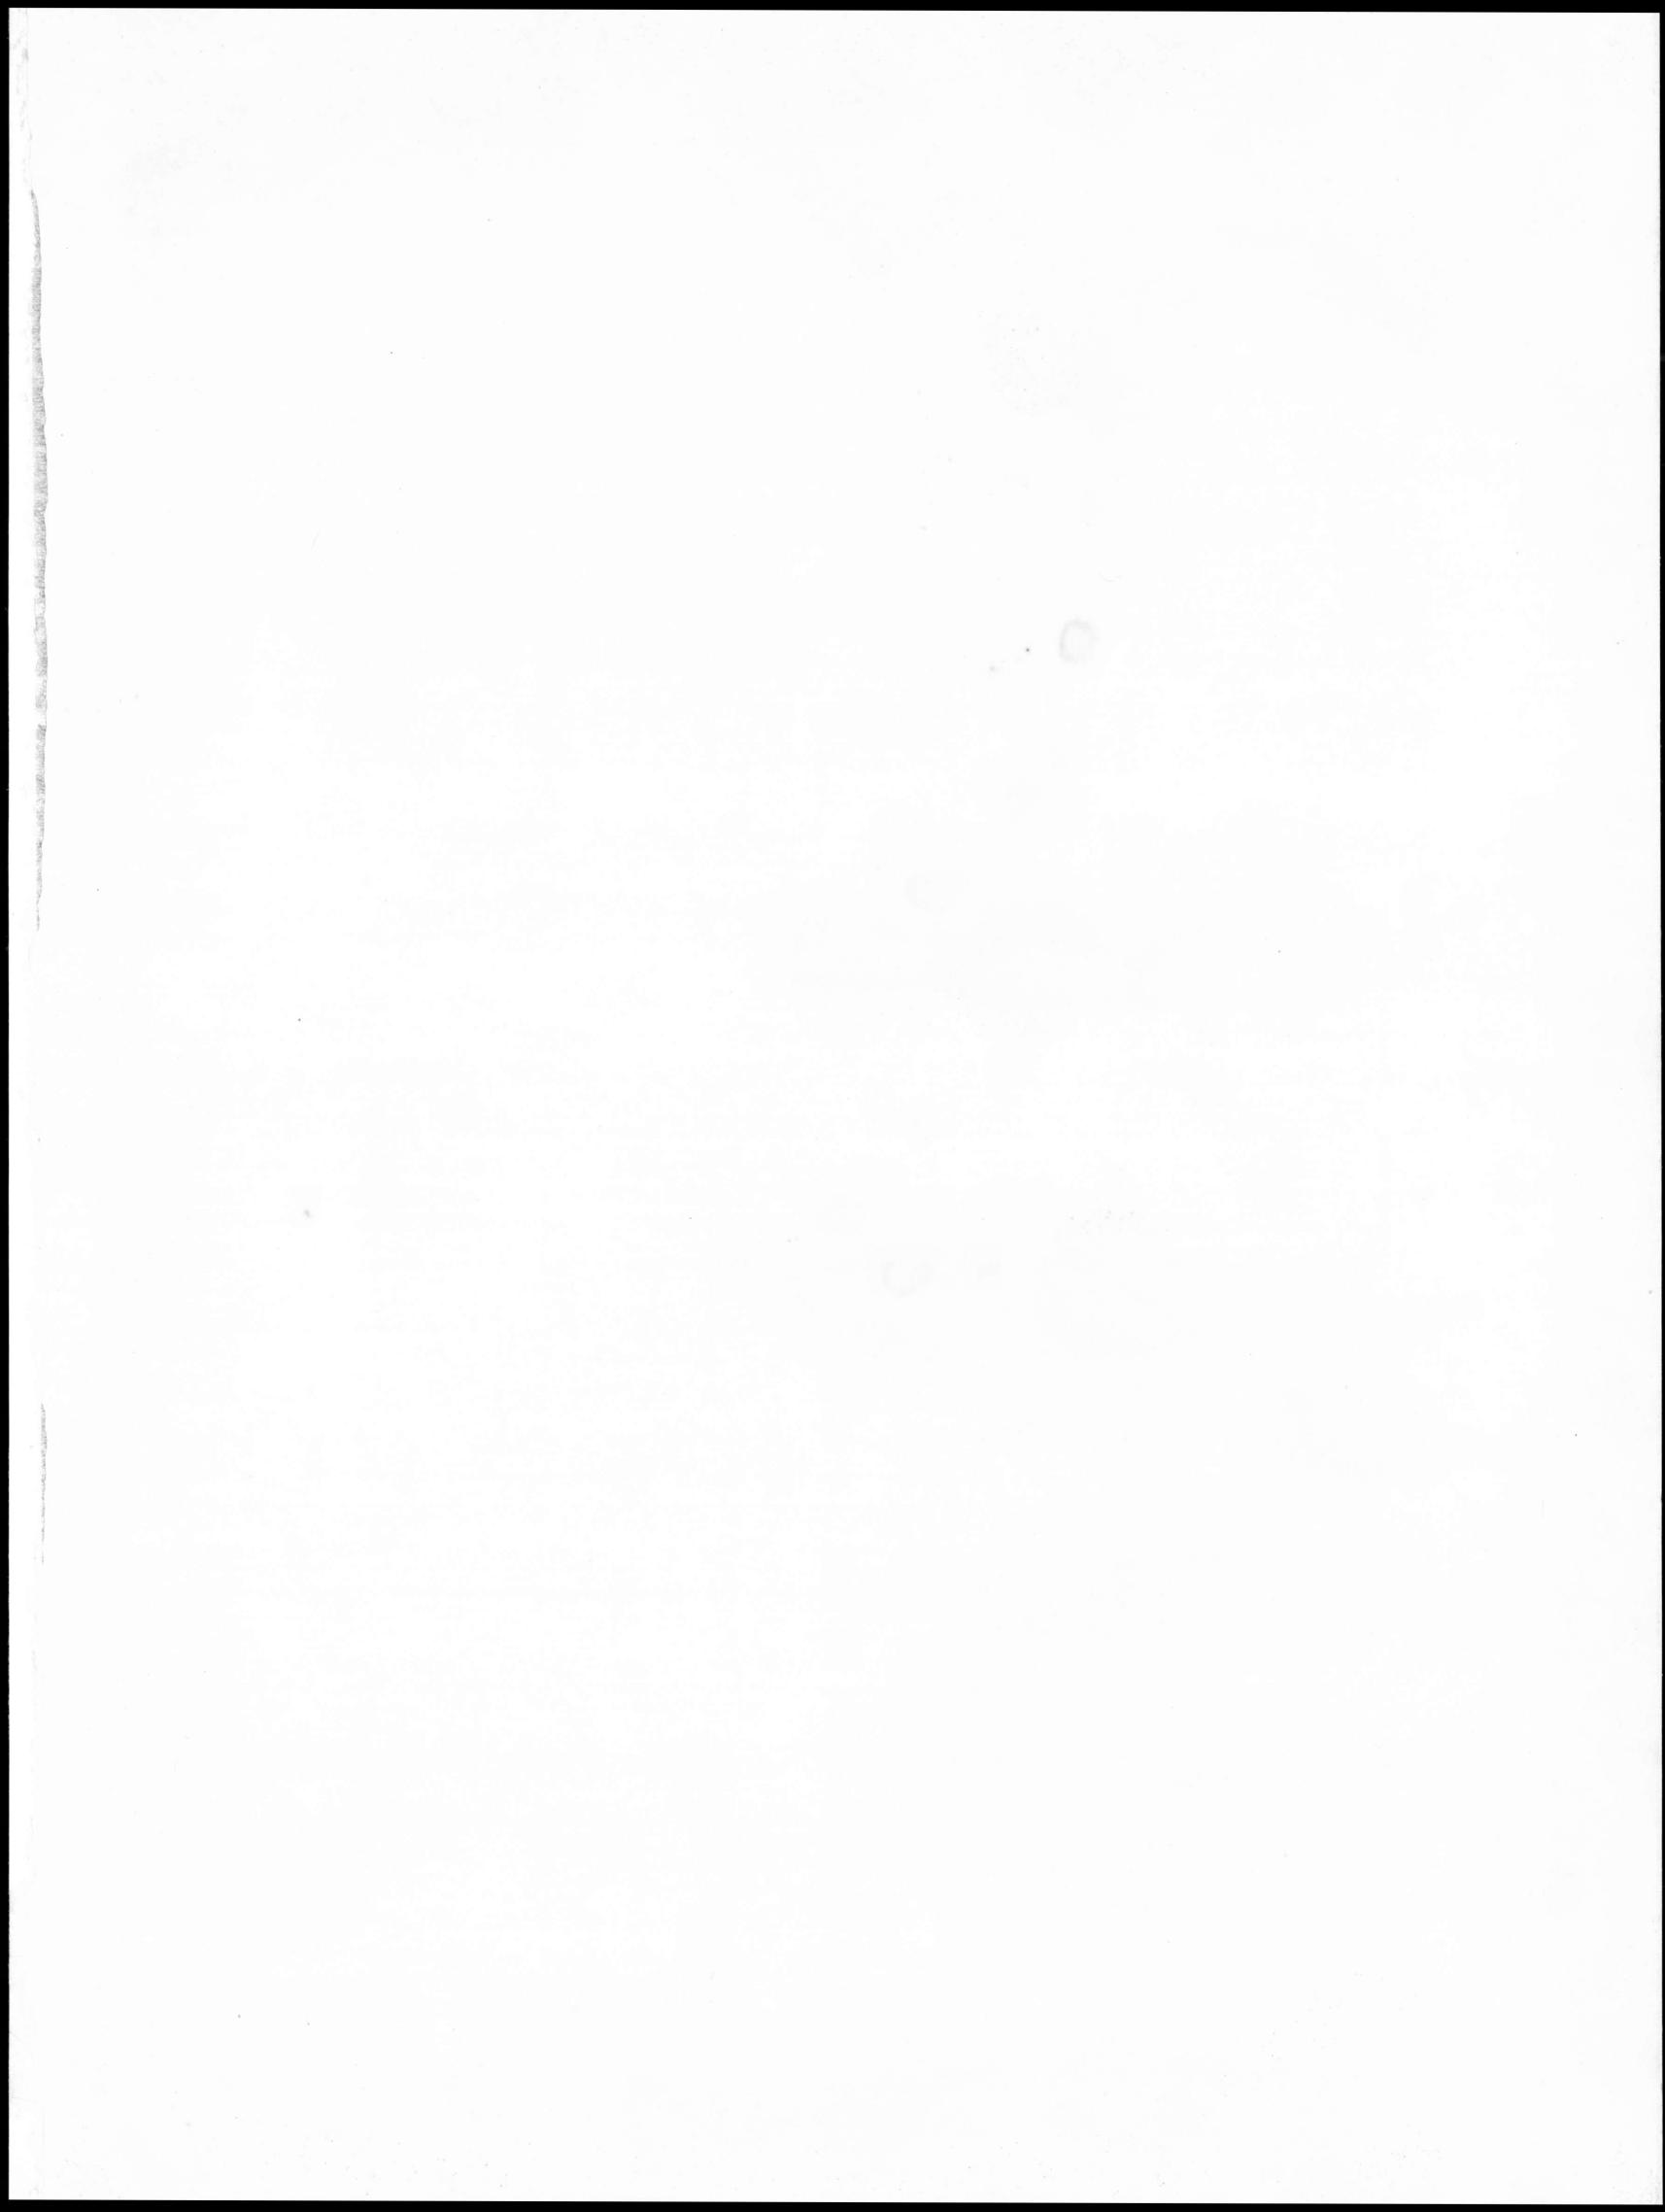

*And what a "sport" she was! Again, in her own way, she was a great player in this game of life. To the very end, she quietly endured her pain, thinking of others more than of self. And through it all, it was as though she had hold of a secret, that secret being that she would be the winner for she was teamed up with One who had overcome even death itself.*
